

November 1, 2022

The Carousel Museum, along with the Museum of Fire History, with its invaluable collections, artistic legacy, and commitment to preservation, has been sustained by YOU, our loyal and generous supporters. We hope you will join us in looking ahead at our plans to explore the past while envisioning a better future. We couldn't be more proud or excited to continue building our relationships with our hometown of Bristol, CT, as well as our extraordinary partners in the National and International Carousel Community.

Round*

This past year, with support from the Barnes Foundation, Inc., the Museum created a brand-new Strategic Plan for 2023–2027. The result is a transformational guiding document that will allow the Museum to make a broader impact in the community and to have big dreams about the places we can go with this organization. It is an honor and privilege to lead this unique and joyful organization in partnership with our Board of Trustees, staff, volunteers, and supporters. You are what makes this Museum a genuinely wonderful place to be.

And this is where we again ask for your help. Would you seriously consider supporting our dreams for the future of The Carousel Museum and The Museum of Fire History? Gifts to our Annual Fund are meaningful and impactful. There is still so much work to be done in Carousel preservation and education. We ask that you make a tax-deductible donation today so that we can share our passion and dedication for this uniquely American art form tomorrow and for generations to come!

Thank you again for your continued support. It means the world to us, and we hope you will visit our Museum soon!

Sincerely,

Morgan Urgo
